

The groups are for people who would classify themselves as inter, trans binary or non-binary or who have questions about this. The accompaniment of confidants is also welcome. The parents' group is aimed at parents or other guardians. All participants in the meetings commit themselves to complete confidentiality. The external appearance (as a man, as a woman or as something else) does not play a role for us – all persons are welcome here. People who are not themselves intersex, trans binary or non-binary, but interested for other reasons, are asked to contact the Board of Directors of Intersex & Transgender Luxembourg a.s.b.l. by email at itgl.contact@gmail.com and participate in a personal preliminary discussion with a member.
